ON TAP SOON

Come on in and pour yourself a cold one! Hops & Berry, a self-serve wine, cider, and craft beer tap-room, is opening soon behind Montgomery Cyclery on Karl Brown Way. This will be the third location for the brand, originally founded in Williston, ND, with another shop coming to Pittsboro, NC. According to Arcanum Architecture, who is working on the project, "This is going to expand public awe of the downtown

area—further enhancing the urban trail community and spreading the outdoor experience to the southern side of Loveland Avenue." HopsAndBerry.com/locations

+ THEY'RE GRREEAAT!

Loveland City School District received an "A" rating in the 2021-2022 Niche Report, ranking among the top 10 percent of Ohio schools. Niche Report combines ratings from students, alumni and parents with data from sources like the U.S. Department of Education to evaluate teachers, resources, facilities, extracurricular activity opportunities and more. In Ohio, the district ranked 49 out of 608 districts, district teachers ranked 47 out of 608 districts, and Loveland High School ranked 48 out of 816 public high schools. "We're proud to be recognized for the quality education and fantastic staff we have here in Loveland. While this is only one metric, every bit of feedback we get helps reinforce that we're on the right track in the district," says Mike Broadwater, Loveland City Schools Superintendent.
